

Comfort-Cire[®]

TARG & TPRG

PACKAGED UNITS

**MAKING A GREAT DECISION
IS EASIER THAN EVER.**

BUILT FOR YOUR PEACE OF MIND.

From their rugged protective cabinet to their heavy-duty compressor, the TARG air conditioner and TPRG heat pump are made to stand up to every kind of weather, and deliver dependable operation season after season.

SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Comfort-Aire® systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

The bar has been raised in quality and design.

The TARG and TPRG systems deliver comprehensive, smart, reliable solutions to home heating and cooling. The choice is yours—air conditioner or heat pump. Both feature tough construction and rugged components that outlast the elements and work hard for years to come.

Built for efficiency.

Now you can stay comfortable while using energy wisely. Both TARG and TPRG units deliver a Seasonal Energy Efficiency Ratio (SEER) of 14. The Heating Seasonal Performance Factor (HSPF) for the heat pump is 8.0.

Peace of mind feels pretty good.

The Comfort-Aire® packaged units are designed to make you feel good in every way. And once you've registered your equipment, you'll enjoy the confidence of a full ten years of protection on the compressor and other parts. So sit back and relax. You have a Comfort-Aire®.

THE FULL-FEATURED COMFORT-AIRE® PACKAGED UNIT IS THE RIGHT CHOICE, RIGHT NOW.

- 14 SEER means smart savings with solid operation
- Heavy-duty compressor is built tough for years of reliable, trouble-free performance

¹Applies to residential applications only. For terms, conditions and exclusions, see full warranty at www.marsdelivers.com.

MAKE THE COMFORT-AIRE® DECISION YOU WON'T REGRET.

When you think about everything Comfort-Aire® delivers, your decision is easier than ever. Feel smart. Feel efficient. And above all, feel comfortable. The performance and reliability you want are right here, and ready to go to work. **Comfort-Aire®. It's the right choice. Right now.**

Due to ongoing product improvements, specifications and dimensions are subject to change and correction without notice or incurring obligations. Determining the application and suitability for use of any product is the responsibility of the installer. Additionally, the installer is responsible for verifying dimensional data on the actual product prior to beginning any installation preparations. Third party incentive and rebate programs have precise requirements as to product performance and certification. All products meet applicable regulations in effect on date of manufacture; however, certifications are not necessarily granted for the life of a product. Therefore, it is the responsibility of the applicant to determine whether a specific model qualifies for these incentive/rebate programs.
